

NJY Camps 2021 - Registration Terms & Conditions

1. Priority in registration is given to members of the affiliate YMHA-YWHA's and Jewish Community Centers in New Jersey. No person shall be excluded from admission on grounds of race, color or national origin.
2. In accepting enrollment, the camp reserves a place for the child. If, for any reason, the enrollment must be cancelled, NJY Camps must be advised of this in writing. A portion of the required deposit is a non-refundable registration fee that will be retained. The balance of tuition and fees paid is fully refundable up until March 31. After April 1, the balance of the required deposit will be retained. While most refunds will be paid in one installment, the camp reserves the right to provide refunds in up to six monthly installments. **NOTE: Teen Camp Israel (TI)** upon acceptance to the program you will receive the schedule of dates at which point certain costs will become nonrefundable. Full deposit is refundable if the applicant is not accepted to TI after the interview process. Balance is due no later than April 1, 2020. **NOTE: Teen Camp Milford** trip fees are not refundable after commitments are made with transportation and hotels. You will be notified prior to this date.
3. No allowance or refund will be made for transportation or laundry since charges for those items are based on collective arrangements for ALL campers.
4. The camp is not responsible for the camper's equipment or personal belongings; while in transit or at camp, if lost or damaged by fire, theft, laundry, or in any other manner.
5. It is clearly understood that parent or guardian signing this application certifies that the child is healthy and able to participate in the full camp program. This application is accepted subject to a physical examination by a physician. Camp is herein authorized to contact prior recreational and/or camp placements to gather information.
6. Your child must be fully immunized per the requirements from the Pennsylvania Department of Health "School Vaccination Requirements for Attendance in Pennsylvania Schools" Pa.CODE CH.23 (School Immunization) allowing exemption only for medical reason. If your child has a medical exemption, a letter of medical exemption from the physician must be provided to camp. In some cases, if your child does not have a demonstrated immunity to certain diseases, we may not be able to accept the child in camp.
7. If for any reason (medical, behavioral) it is determined that your child needs to depart camp early, it is the parent's/guardian's responsibility to ensure that your child is picked up within the timeframe specified by the camp director.
8. In the event camp is unable to open or is forced to begin late or close early due to circumstances beyond Camp's control, including but not limited to weather, floods, utility failures, inaccessibility, communicable disease, civil unrest, governmental order or other such reason, or in the event Camp decides to close Camp for health and safety reasons, Camp shall not be responsible for any costs, losses or other damages beyond a refund or credit applied to future years of tuition or a proportionate share thereof in the event of a partial shutdown, minus any non-recoverable expenses and administrative costs spent in performance of this agreement. Refunds may be paid in up to six monthly installments.
9. It is expressly understood and agreed that, if the camper leaves the campus without the express permission of the camp director, if the camper damages or defaces camp property, or if the camper's conduct or influence is inimical to the best interests of the camp, the camper may be dismissed at the sole discretion of the Director with no refund nor reduction of fee. The camper agrees not to smoke or possess cigarettes, drugs, e-cigarettes (vaping) or alcohol in Camp, on

Teen Camp trip or on TI program. **NOTE: For TI** the parent/guardian must pay for all return transportation expenses.

10. In case of late arrival, dismissal, or withdrawal of the child for any reason whatsoever, there will be no refund for camp fees for time reserved.
11. Applications are accepted reserving the right and responsibility of Camp Administration to place campers according to Camp's own age-level and readiness standards.
12. NJY Camps and its affiliates are herein authorized to use analog and/or digital photographic, audio and/or video reproductions of the child electronically and in literature for interpretive purposes, advertising and to participate in research studies conducted by the NJY Camps.
13. I hereby give permission for my child to participate in all activities outside of camp. I further authorize the camp to sign any waivers and/or permission forms necessary for my child to participate in these activities.
14. I hereby give permission for my child to participate in any and all camp activities. I fully understand that some of their choice activities may include certain inherent risks.
15. NJY Camps reserves the right to verify and confirm that applicable conditions have been met for any discounts received during registration.
16. I agree that any dispute concerning, relating, arising out of or referring to the subject matter of this contract shall be resolved exclusively by binding arbitration in Pike County, PA.
17. The arbitrator and not any federal, state or local court or agency shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, conscionability, or formation of this contract, including but not limited to any claim that all or any part of this contract is void or violable.
18. It is agreed that any dispute or cause of action arising between the parties, whether out of this agreement or otherwise, can only be brought in the PA Court of Common Pleas located in Pike County, PA, and shall be construed in accordance with the laws of Pennsylvania.
19. **IN CASE OF SURGICAL OR MEDICAL EMERGENCY** the parent hereby gives permission to the physician selected by the camp director to hospitalize, secure proper treatment for, and order injection, anesthesia or surgery for the child named above. Every effort will be made by the Camp Administration to immediately contact parents in the event of an emergency.
