

NJY Camps is Excited to Announce Our Strategic Partnership with PM Pediatrics for the Summer of 2021!

NJY Camps is pleased to share that we are working with the experienced medical team from PM Pediatrics this summer. With their guidance in developing our COVID-19 protocols we are confident that NJY Camps will continue its 100 year legacy of providing amazing camp experiences with the safety measures needed to address the ever-changing realities we face from COVID-19.

We will continue to update you with information regarding our COVID-19 protocols and procedures as we develop them through this new partnership.

Looking forward to an awesome summer of 2021!
